

Give your career the Gurumantra edge

Explore a whole new world of computing with Gurumantra's unique programs in Visual Communication, Animation and Multimedia

Gurumantra Institute

The computing mantra

Software tools alone don't make fine artists. It is the unique mix of visual sense and aesthetic awareness, blended in with the knowledge of software tools that sets the tune for the perfect melody.

With essence rooted in the strong foundation of value added education; software courses fine tuned to meet the needs of industry; highly proficient faculty, invaluable tutoring, hands-on experience and real-life projects, Gurumantra provides an environment that breeds talent and encourages creativity.

A new-age training institute offering programs in Visual Communication, Multimedia and Animation,

Gurumantra is the power that will drive the future. So get chanting.
